MILK WAR ON THROUGHOUT EAST BAY

Price Drops To Seven Cents a
Quart in Oakland, Low-
est in Years

OAKLAND, May 29.—The milk war is on in the East Bay cities. As a result milk sold at 7 cents a quart today in Oakland and other East Bay cities—the lowest price in years.

The new price reduction follows the original slash from existing prices of 11 cents to 10 cents, inaugurated by the Grocers' Milk company, Inc. Direct delivery from producer to consumer is the sole purpose of the new concern, which claims a membership of 117 East Bay grocers.

The milk war is between the grocers' organization and the Oakland Milk Dealers' Association, the latter composed of middlemen engaged in the distribution of milk.

According to W. L. Shreve, grocer, 1638 East Fourteenth street, president of the Grocers' Milk company, the new price of 7 cents in some cases and 8 in the majority has been put into effect by the member firms of the Oakland Milk Dealers' association. This, he states, is the first move in the war to force the grocers out of business.

Opium Pipes Are Seized In Raid Staged at Antioch

MARTINEZ, May 29.—Gold bills of large denomination, totaling in all \$1,000, together with empty opium tins, contents of which would have been valued at \$15,000, were seized by Deputy Sheriff Clyde Laird last night in a raid on the Antioch laundry of Hop Lee, 69, according to statements by the officer today. Opium worth about \$100 and two opium pipes were seized, the officer declares. Lee was being held at the county jail today while formal charge was being prepared.

Search of Lee's laundry, according to Laird, resulted from a trip given him by an opium addict. In his search for drugs Laird stumbled across a coin cache in which he found \$400. As his hunt continued he drew from every conceivable hiding place gold and bills of large denomination. The flood of money came from behind benches, bottles and cans and pictures.

Three cans of opium, according to Laird, were found concealed in 25 many coffee cans. The opium was covered by a thin layer of coffee.

Discovery of the large number of empty tins, Laird declares, substantiated the belief of officers that Lee disposed of great quantities of the drug from his innocent appearing laundry. He has been in Antioch for three years.

Questioning Lee as to his supposed activities failed to elicit any information from the celestial.

Berkeley Youth Is Arrested On Girl's Charge

MARTINEZ, May 29.—A young man giving his name as Eddie Silverfoot, and residence 2823 Eighth street, Berkeley, was taken into custody yesterday evening by Deputy Sheriff J. M. Joseph and lodged in the county jail in this city on a charge of contributing to the delinquency of a minor. The girl involved in the case is a resident of Richmond, 16 years of age.

Ferry Employee Commits Suicide

WOMAN BLAMED IN NOTE, MAKES TWO ATTEMPTS

Takes Strychnine; Efforts To Save
Life Fail; 'Linda' Named
In Connection

TOLD POLICE 'TIRED OF LIFE'

Declares he Had 'Bullet for Her
But She Is a Coward. I
Could Not Find Her'

Despondency, said by police to have been brought on by interference in his affairs by an Italian woman named "Linda," resulted in the suicide by poisoning yesterday of William Hale, 32, employed as mate aboard the Richmond-San Rafael ferries. An attempt earlier in the day to commit suicide by gas had been frustrated when officers called by the landlady at Hale's residence, alarmed at his failure to answer a call, forced open the door.

Hale died at the Cottage hospital at 4:30 o'clock yesterday afternoon, after every effort had been made to save his life. He had been seized with convulsions, brought on by the taking of strychnine, while in the apartment of the Misses Alice and Pearl Hubbard, 824 Nevin avenue. Hale had been going with Miss Pearl Hubbard for some time and had accompanied her home from her work at Felts Grill on Macdonald avenue, only a minute before he was taken ill.

He is thought to have taken the poison just before he left the apartment, where he had been talking to Miss Alice Hubbard, to call for her sister. As he entered the restaurant he seemed extremely nervous and asked for a drink of water. With Hale at the time was Alex Smith, 232 Sixteenth street, a friend of Miss Alice Hubbard. During the trip from the grill to the apartment Hale said nothing that indicated that he contemplated suicide, Miss Hubbard said.

When he was taken ill Dr. St. John Hely and Chief of Police Daniel Cox were immediately summoned. Chief Cox arriving first, "Don't call a doctor, let me die," begged Hale. "I am tired of life."

In his pocket police found a bottle of strychnine and a note. In the latter an Italian woman was blamed for his act, and he declared that had he been able to find her she would have died with him. The note was as follows:

"It is needless for me to say who is the cause of this ask her if she is sorry for what she did. I had one shell for her and one for me, but I could not find her; she is a coward."
"My head hurts. It did not work last night, but it will this time. Tell Pearl if she will buy the rest of the Ford she can have it."
"Tell Linda that I would have got her if I knew where to find her."
"What a funny feeling it is to know that you are going to die—you don't know."

There was no signature to the note which had been written in pencil on an ordinary sheet of tablet paper.

Miss Hubbard told police and reporters that the woman referred to by Hale as "Linda" is married and the mother of two children. "Linda"

Tuesday night, according to the report from Martinez, Dominguez, who had been placed in the county jail pending the decision of the district attorney's office as to charges to be placed against him as a result of his attack on Cox, tried to commit suicide by beating his brains out against the side of his cell.

According to sheriff's office officials he was laboring under the delusion that Chief Cox killed his wife and five children.

Chicago Druggist Held As Suspect In Boy's Slaying

LOUISVILLE, Ky., May 29.—Activities in the nationwide search for the slayer of Robert Franks, 13, son of Jacob Franks, Chicago millionaire, centered this afternoon in Louisville following discovery of S. F. Heath, 35, Chicago druggist, unconscious in a hotel room here. Heath, according to hospital attendants, had taken an overdose of veronal.

Police here planned to probe thoroughly Heath's movements because of circumstances deemed suspicious. Heath, it was revealed, discharged from a Chicago hospital as he was about to be questioned by Chicago detectives, and left the city hurriedly.

In Heath's room, along with four suicide notes, was a copy of the Chicago "Herald Examiner" of Tuesday, the headlines of which carried the story of the questioning of a Dr. Robert Russell as to a patient in the Mercy hospital he was treating for veronal poisoning.

According to employees at the hotel, Heath arrived at the place Tuesday. He asked for a room and was not seen until it was discovered he had taken an overdose of some narcotic.

Chicago dispatches today said Heath was found in a hospital there last week suffering from veronal poisoning.

Police also were inclined to believe the veronal he took here was intended as a suicide potion and said he had been taken to the Chicago hospital for treatment following a similar dose. They connected this with the kidnaper-slayer's threat in a letter to Chicago Police Chief Collins to commit suicide.

First reports to police resulted in a statement that Heath had admitted connection with the Franks' crime, but this was later denied. Attendances said he had not regained consciousness.

A chance remark by Heath when he registered at the hotel Tuesday led to the reported confession. The remark was that he had been mistaken for a suspect in the Franks case.

A still alarm was answered by the local fire department at midnight last night at San Pablo and Barrett. No blaze was found.

SOUTH AMERICAN TRADE

The growing interest which is being manifested by American business men in our trade with the South Americas is indicated by the number of requests on the subject being received by the Department of Commerce. From June 27, 1921, to July 1, 1922, the Department received 20,619 commercial inquiries with respect to Latin America. From July 2, 1922, to June 30, 1923, the number of such inquiries was 132,486. From July 1, 1923, to April 19, 1924, a little over nine months the number was 166,791. During the week ended April 26th they came in at the rate of over 7,000 a week, and it is probable that by the end of the current fiscal year, June 30th, the number of these inquiries will have reached 200,000, or 10 times the number for the 1921-22 period. Next to Western Europe Latin American problems are receiving the greatest interest, and the indications are that Latin America will stand first in a very short while. There is our great field for future commercial expansion.

Virginia Brown Faire In Film At Richmond

Virginia Brown Faire plays the feminine lead in "The Lightning Rider," Hunt-Stromberg's second production starring Harry Carey, which comes to the Richmond theater for a two day run, starting today. The choice will be approved by all who are familiar with this vivid little actress.

Miss Faire entered the motion picture profession via the problematical route of a beauty contest, and, where many of her sisters who had the same chance dropped by the wayside, she trudged up to the pinnacles by the simple expedient of adding indomitable ambition to her perfect profile. After five short years, she has become one of our most capable and conscientious actresses.

Universal first signed the diminutive player, and she made nine pictures for that organization before determining to free lance herself. Then came a series of feature productions which depended on their success on the charm of Virginia. Associated First National finally invited her into signing on the dotted line again, and "The Lightning Rider" demanded her services the minute that this contract expired.

Miss Faire's role in "The Lightning Rider" is that of an impulsive, fearless girl, child of a Spanish father and a Celtic mother, and combining their variant qualities in a captivating personality. By her bearing and temperament, she is the perfect embodiment of this type. Unlike most "westerners," "The Lightning Rider" provides a strong action part for the feminine lead.

Other features on the same program include: William Desmond and Ellen St. Wick in the sixth thrilling chapter of "Beasts of Paradise," "Disposing of Mother," a story of American home life, and Kinograms Matinee every Saturday afternoon.

Wonder Dog In 'The Love Master' At California

Strongheart, the wonder dog, is scheduled for an appearance at the California theater for two days, beginning today in his latest First National picture, "The Love Master." It derives its title from the fact that in this play Strongheart selects his own master without regard to who has legal title to him.

The story is told in the sparsely settled regions of Canada and centers about the mystery of the young man who has arrived with Strongheart and ends with the solution of the mystery and the love victory of the young helle of the settlement, along with the boy from the States.

A dog race, filmed during the progress of a real one contested by the best dog teams in Canada for prizes offered by Laurence Trimble and Jane Muffin, producers of the picture, provides some real thrills. Strongheart's love idyll provides real comedy, and for sheer drama the film waged by Strongheart against death on behalf of his "love master" seldom has been equaled on the screen.

Other features on the same program include: Special added attraction, George Dewey Washington, in comic, "Uncle Sam's Gift," a Gumps comedy, International News, and Larry F. Canelo at the huge organ.

The Inspiration of Memorial Day

It is tragic that any man should have to die for his country, but it is an inspiration to reflect how many men have been willing to die for this great nation of ours.

May all Americans on Memorial Day resolve again to be worthy of those who have given their all that America might survive.

Boy's Life Saved

Oakland Police Officer Recommends

Fong Wan Herbs

Oakland, Sept. 29, 1923.

My son, John suffered from dropsy. His condition was such that many tried without success to relieve him. His stomach became so bad that he was unable to retain food.

We had almost given up hope, when an Oakland police officer advised that we try the FONG WAN HERBS as a last resort. I went to FONG WAN and told him about the case, whereupon he compounded herbs for me to take home and cook. The improvement, though slow at first, was gradual, and after a few weeks my boy was able to go to the FONG WAN office. He took the herbs for three months altogether, at the end of which time he was entirely well and his dropsical swelling was gone. We are giving this testimonial and the boy's picture to the FONG WAN HERB CO. as a small token of our gratitude for having our boy thus restored to health and strength.

Refinery Defeats All-Standard Nine By Score of 5-2

	W.	L.	Pct.
Refinery	3	1	.750
Barrel House	3	1	.750
All Standards	2	2	.500

With Paris Buttsbach turning in the best pitching performance to date in the Standard Oil league, the Refinery nine downed the All-Standards yesterday afternoon at the First street lot, 5 to 2, and kept its place at the top of the league.

The little southpaw hurled masterly ball and would have hung up a shutout but for a poor throw to second base by the usually dependable Skipper Roberts in the fifth inning. Attempting to pick Cronin off the bag, the Skipper cut loose with a low throw that continued on its way to the center field, where it eluded the nimble Johnson and rolled to the fence. Cronin scored on the play, as did Huzefka, who was occupying first.

Gene Kersten pitched a creditable game though hit hard at times by the shugging Refiners. Walter Zimmerman and Red Johnson did most of the damage, the former slamming out a home run and a single, while Johnson hit a triple and a double, both measurable clouts.

Cronin and Huzefka gathered the only hits made by the losers, although it is almost a certainty that Frank Schultz was robbed out of two homers by the high wind that held back the ball. "Spot" Duncan easily turned in the best fielding feature of the day when he came up with Cronin's hard drive down third in the eleventh and threw out the youngster at first. Roy Nelson got a big hand from the stands in the sixth frame when he sprinted far into left to get Zimmermann's long fly nailing it while on the dead run.

Johnny Huzefka, All-Standard recruit, showed up well behind the log. He made one bad throw to second to get Zimmermann in the fourth, but on the whole played a great game.

The sultry weather was not conducive to good ball playing, most of the players appearing to be merely going through the motions.

El Cerrito Man Held for Probe

MARTINEZ, May 29.—Following an examination of James Young, 64, by the lunacy commission yesterday afternoon he was ordered held for observation by Superior Judge H. V. Alvarado. Young was taken into custody yesterday afternoon at El Cerrito when employees at the Hutchinson quarry reported to officers he had barricaded himself in a cabin. At his examination yesterday Young talked rationally, apparently substantiating his protestations that "I am not insane." When sheriff's officers went to the cabin Young informed them that he was the man they were looking for.

Rotary Club Holds Memorial Services

Scenes of the past were recalled at the Memorial day services held by the Richmond Rotary club yesterday noon. Civil, Spanish-American and World war incidents were recounted and the memory of those who died under their country's colors were honored.

The principal speaker of the day was Rev. L. D. Cook, pastor of the First M. E. church of Pinole, who urged that "we who remain cherish the memories and American ideals for which our soldiers fought and died." Veterans were the honored guests at the meeting.

Under the direction of C. C. Kratzer, chairman of the day, a short program was given. Mrs. Ross Calfee sang "The Star Spangled Banner." Mrs. Calfee, Lad Johnson and Harley Carter sang "Tenting Tonight," and Mrs. Virginia Bryant read "The Birth of the Flag" in a most charming manner. Taps were sounded by Miner Ashby of the High School cadets, while the Rotarians and their guests stood.

Sentenced To Jail For Speeding

Five days in jail was the sentence given Frank Bussal of Richmond when he appeared before Police Judge C. A. Odell to answer to a charge of speeding 50 miles an hour along Cutting boulevard. Bussal also was fined \$25 and had his driver's license suspended for 30 days.

H. E. Steiger, 126 Twenty-second street, pleaded guilty to speeding 30 miles an hour along Macdonald avenue and was remanded for sentence Tuesday.

A charge of reckless driving, preferred against F. R. Wilkins of College City, Colusa county, was dismissed on the ground of insufficient evidence. Wilkins had been arrested as the result of an accident on Cutting Boulevard when his machine crashed into the rear of a car parked at the side of the highway.

Americans Enter Death Ray Race

PARIS, May 28.—Americans have entered the race to obtain the secret of Grindell Matthews' death-rays, Matthews said today.

With Great Britain, the inventor's own country, and France in competition for the diabolical invention which, it is claimed, may have revolutionize war and make the nation which holds it supreme, Matthews gave out that he had received a written offer from the United States.

Other reports said the National Academy of Sciences at Washington had called the inventor asking him particulars and that American naval attaches here had been ordered to investigate Matthews' claim.

American officials here denied that the United States government was in any way interested in the ray.

Mrs. Ripley To Speak On Samoans

Mrs. S. S. Ripley, president of the Contra Costa County Federation of Women's clubs, will present the case of the fight by Samoan people for civil government, at the biennial convention of the national federation.

Mr. Ripley, who is the son of a Samoan high chief, carried a petition from native chiefs to the president, protesting against the naval administration in the islands. Ripley has filed a suit for heavy damages against Commandant Waldo Evans, U. S. N., who denied him permission to land on the islands two years ago. The suit is now pending before the Federal court in Chicago, the district in which Evans is now stationed.

The Samoan people have recently drafted a new petition asking for self-government, and have forwarded a copy of this to Ripley, and Attorney C. S. Hannum, who is representing Ripley in his part of the Samoan affairs. The petition was forwarded directly to President Coolidge on the advice of Hannum.

Suicide

(Continued From Page One)

wouldn't let him alone," sobbed Miss Hubbard. "She had been following him around for a year. She even went to his room and cut his clothes all up, and went to his boss and told stories about him, trying to have him fired."

Scratches found on Hale's face were said by Miss Hubbard to have been inflicted by "Linda."

The first attempt at suicide occurred yesterday morning, according to the police. Hale failed to answer a call and the land lady detected the odor of gas escaping from around his door. The police were called, but when they arrived Hale came out, explaining that there had been a slight accident.

Later he told the landlady that "if there had been a little more gas it would have been all over." She attached no particular meaning to the remark at that time, however, thinking that he meant he might have accidentally lost his life.

Before he left the apartment occupied by the Hubbard girls yesterday

afternoon he went into the kitchen, closed the door and Miss Alice Hubbard heard water running, as though he was taking a drink, she told officers. He left immediately then for the restaurant for Miss Pearl Hubbard. When he entered the restaurant he came up to his friend Smith, who was seated at the counter, and said, "Smithy, I'm heart broken." His friend tried to cheer him up, but thought nothing more of it at the time.

Hale had been an employee of the Richmond-San Rafael ferry for the past three years. He came here from Kansas and leaves a mother, Mrs. Harry Farmer, of Wichita, Kan. Date for the inquest has not yet been set. Wilson & Kratzer funeral parlors.

HERB SPECIALISTS

TO WHOM IT MAY CONCERN:

In reciprocation of the wonderful cure effected through the medium of Dr. Wong Him's herbs and his thorough knowledge of every human ailment, I desire to state briefly the terrible sufferings experienced by myself for other thirty years, thus guiding anyone who may desire relief from attacks of any nature:

I had been afflicted with cancer and Bright's Disease, also catarrh of the head for a period of over thirty years. Learning of the extraordinary cures resulting from the herb treatments of Dr. Wong Him, I decided to seek relief if possible through this course, being to some extent skeptical, due to failures of other eminent specialists to effect any amount of relief.

A complete treatment of the above herbs have resulted in relieving me entirely of these affliction, and my head has been cleared of all traces of catarrh. Pains in back and headaches have ceased and am again able to enjoy perfect health.

The above has been absolutely unsolicited and my only hope is that same may prove of great benefit to all sufferers who may read it.

Transportation Service Builds Community Wealth

Every dollar invested in Transportation Service properties and operation adds several other dollars to property values in this community.

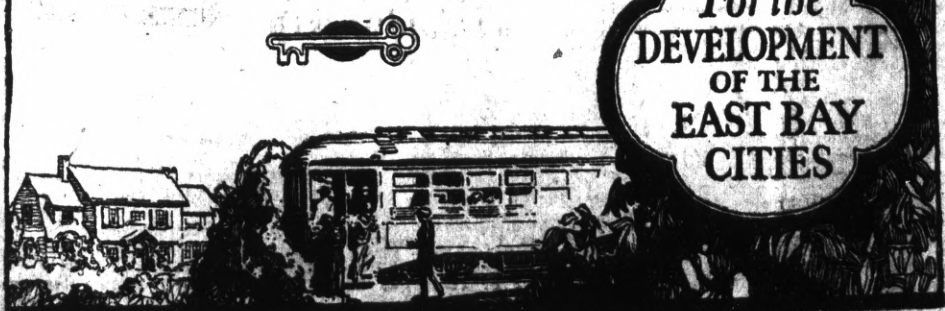

For example, assessed valuations in the Eastbay Cities increased \$115,437,332 between 1910 and 1923 and are now increasing at an even greater rate.

You will find that everywhere they have followed transportation lines and we shall continue to reap these advantages as rapidly as we provide for the sound growth of Transportation Service.

Transportation Service — "The Best Transportation Service in America" — is also the best investment any community can make.

We ask your full co-operation in providing this Service.
